### ITEM 15 (a) on the November 19, 2004, Commission Meeting Agenda. Statutory Authority 9.46.070

#### Who proposed the rule change?

Dolores Chiechi, on behalf of the Recreational Gaming Association.

#### Why is this rule change needed?

At the September meeting, the Commission filed a Petition for Rule Change submitted by the Recreational Gaming Association with the anticipation of a staff recommendation memo at the next meeting. On October 25, 2004, Ms. Chiechi requested the petition be withdrawn from discussion. Staff recommends the Commission approve Ms. Chiechi's request to withdraw the petition.

This rule requires persons providing gambling related services to obtain a service supplier license. The petitioner requested that certified public accountants providing gambling related services no longer be required to hold a service supplier license. The petitioner also requested that mortgage companies no longer be required to obtain a service supplier license.
